We don't pretend we're connoisseurs of whisky here at Raymond Towers, but we certainly know what a good twat tastes like. Mmm, smoky, peaty, earthy, salty – we just have to keep coming back for phwoooar with Ella from Leeds and her perfect pussy. "Drink up lads, there's plenty for everyone," she moans.

KATE-ANNE

Braving the cold and the disapproving looks of mardy-arsed neighbours is nude newbie Kate-Anne, who's as scarlet a woman as her dress and boots suggest. "I hope that boring chap next door who always cold-shoulders me the morning after a vigorous sex work-out sees these pics and kills himself!"

In heaven at dirty-seven

My girlfriend Maria is thirty-seven years old and looks great for her age. I met her at the office.

We often go into work and catch up on the paperwork when none of my staff are around. This gives her the chance to play the role of the sexy secretary.

The only problem is that as she is walking around the office, bending over the desk and flashing her bronzed thighs

and firm butt, she is quite a distraction.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure

in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at

break times and after lessons.

She soon got a reputation among the lads in her class for

course she was - you'd have to invite the blow-job queen, wouldn't you?

giving good head. She sucked a mean cock and she always swallowed the lot.

One of the lads' parents went away for the weekend and Maria was invited. Of

The party kicked off and most people were getting pretty drunk. Maria was being

With books seemingly less important in libraries than DVDs, computers and hobos pretending to read newspapers, maybe local councils should go the whole hog and start turning their "one-stop shops" into knocking shops to bring back the punters. This latest Bluebird outing features cover girls Louise Jensen and Cindy Behr and bookish babes Stacey Saran (left) and aptly-named Paige Ashley (right) having their tickets stamped by the usual hairy cocksman. chatted up by some guy and before too long they were up in the bedroom.

After sucking the guy off and drinking down his cum, she took his cock in her mouth again and slowly coaxed another hard-on out of him with her tongue.

Then she lay on the bed with her legs spread wide and he knelt in front of her and slid his cock inside her.

After they'd been screwing for a while she noticed that a couple of lads had entered the room. She did not seem to mind and carried on.

When the first guy had sprayed her with spunk a voice from the room asked when it was his turn. She told him his turn was next and began

sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Maria can't actually remember just how many guys fucked her

that night. She thinks it was

somewhere between twelve and twenty, with some of them doing her more than once.

She said she was covered in spunk by the end. She had it in on her face, tits, stomach and all down her stockings.

She can't remember how much she swallowed and how many guys she had let cum inside her. I reckon it must have been a good pint in all.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute, every cock and every drop of sperm.

While Maria told me this story I banged her like a man possessed - it got me so horny. Then I added my two-penno'th to the ocean of spunk she's eaten! Stuart, Bucks

An Amish family are visiting a shopping centre for the first time, and are amazed by everything they see.

The mother takes her daughter off to check out the clothes shops, leaving her husband and son marvelling at the sights. As they stroll together, the son stops his father and points at two shiny silver walls that move apart before snapping shut again. "What is it, father?" the son asks. His father shakes his head, "I honestly don't know what it is - I've never seen anything like it!"

An old lady in a wheelchair rolls up to the moving walls and presses a button. The great walls open and the lady rolls between them into a small room. The walls close again, and the father and son watch, wide-eyed, as small circles containing numbers light up above the walls, one by one. They stare silently as the circled lights pause, before lighting up in the reverse direction. Then, with a ding, the walls part, and a beautiful woman in her 20s steps out.

The father turns to his son and says, "I still don't know what it is, son, but go get your mother."

An old woman was nagging her 25-year-old granddaughter to find herself a nice man and settle down. "But Granny," came the reply, "I want the man I let into my life to be special. He must entertain me and make me laugh; he must be great company; accept my going out without him and be happy to stay at home with me at night!" Her grandmother shakes her head, "Well sweetheart, if that's all you're looking for, then get a better telly."

UZZY

We've spent an unfortunate night in the custody of the Metropolitan police service. If they'd laid on this sort of naked dungeon-based entertainment instead of a cold cup of tea, a slap in the face and an insistence we confessed to some long-forgotten Irish bombings, we might even have said "We did it!"

cheek of it! Especially when we both knew he could burn water! I have no idea why, but, feeling a bit stropky now, I told him that if he felt that strongly about the whole thing, then he should put me across his knee. There was no hesitation on his part – playfully, he grabbed me and wrestled with me so I ended up lying face down across his knee. Then he gently tapped my bum. “Some punishment – I can’t even feel that!” I laughed in spite of myself, so he pulled down my jeans and knickers and lightly slapped my bare skin. By now, I was so horny my pussy was frothing with sticky juices, which had slowly dribbled down my inner thigh.

Milo noticed and told me I had

following months the bondage got more and more intense and kinky – so much so, that now I’m being tied up face down and spread-eagled on the bed, a gag and blindfold dulling my senses. Although he’ll get harder and dirtier each time, we usually begin our sex session with Milo deciding that I need some

After the honeymoon period is over in a relationship, the sex dries up, so they say. But Milo and I have been together for eight years and our sex life is still great.

Milo has always been more sexually adventurous than I am, constantly pushing the boundaries, plus he’s had way more experience in the sack than me so he has almost always taken the lead. As Milo showed his dominant side, it didn’t take me long to realise that I am most definitely submissive – I love it when he orders me about and makes me do something out of my comfort zone, or for the first time.

It all started as a bit of a piss-take, really. One day last year, I burned our dinner –

obviously been so naughty that I must stand in the middle of the room with my hands on my head. He ordered me to stay completely still, and then had his way with me as I stood there. When I came, I simply couldn’t stay still – my knees had gone weak – so after he’d shot his load all over my tits and made me lick it up, Milo told me that I’d have to do better next time, or I wouldn’t get any treats like that again. I loved the idea that he was carrying this ‘game’ on, but after a while we found that the ‘game’ started to dominate – no pun intended – our sex life.

More recently, we’ve started

longer, and I desperately wanted to feel his hard cock inside my aching snatch.

Suddenly, I felt the cold thing at the entrance to my cunt.

Then, without warning, it was roughly thrust in. The relief of being filled, even with this ice cold thing, was enormous, and I found myself purring with pleasure. I could feel the entire freezing length inside me. It was thrust in and out a few times, but then the item was withdrawn. I was disappointed, as it had started to thrill me, but I hoped that it meant Milo

was going to fuck me next.

Just as I was wondering what was next in store for me, a weight pressed down on my body, and I realised Milo was climbing on top of me. I felt the warmth of his prick finding its way into my now-chilled pussy, before ramming it in. Usually I'd be thrashing around, but being tied up in every way meant that I couldn't move, which was a bit frustrating but also the biggest turn-on. His cock hammered in and out of

my gaping pussy, hard and fast. I couldn't move. Hell, with the gag in my mouth I couldn't even talk dirty! So I just lay there, enjoying my body being used!

I climaxed, and although I couldn't move my limbs, I could still use my pussy muscles so I clenched them tightly around his dick, relishing his moans and groans. I contracted them as hard as I could, then finally I felt Milo's rigid prick pulsate and my efforts were rewarded with a big load of spunk in my already sopping pussy.

Since then, I have taken to fantasising that Milo has brought a stranger, or even one of his friends, in to fuck me while I'm bound and blindfolded.

I don't know if we'll ever actually play that scenario out for real, but the thought of not even knowing if it did happen turns me on so much! Now I even find myself doing certain things wrong in front of Milo to ensure I get punished!

discipline. At first he'll just give me a few hard spanks. I rarely learn my lesson from that, though, so I have to be blind-folded and gagged. Milo will then lead me to the bedroom.

The first time Milo left me there, face down, tied, blind, and unable to make a sound, to stew for what seemed like ages, all I could do was imagine what Milo had planned for me next. The anticipation was so horny!

When someone came back into the room, I couldn't even be sure it was Milo! All I knew was that someone was in there with me. I felt something cold lightly touch my back. It sent a thrill of excitement through me. What was it?

Minutes passed, then I felt a finger touch my inner thigh, close enough to my pussy to cause a little juicing up. It brushed away from my cunt, but I didn't allow my disappointment to show. I waited, then I felt the cold thing again as it was dragged over my bum cheeks.

More time passed, and I felt what I think was breath on my fanny. I could barely stop myself from trembling – but I had to or I knew Milo would make me wait

Steam hammered at the sauna

My most exciting sexual experience was when me and my husband went to a large sauna club.

When we changed and went in I couldn't believe my eyes at how many cocks there were around. Everywhere I looked were cocks – big ones, small ones, fat ones.

I then noticed everyone staring at me and my husband because we were new. I noticed all the girls were wearing some sort of G-string. I said to my hubby, "Watch this!"

I removed my towel and walked into the jacuzzi. I could

feel all the blokes looking at me with my shaven pussy on display for all to see.

I got in the jacuzzi and let the bubbles stimulate my pussy. Soon after we got in more and more blokes got into the tub. I got excellent close ups of their tackle.

I loudly said to my husband that we should go into the steam room. As I climbed out I could sense every pair of eyes was trained on my glistening body.

The steam room was empty so I lay down on one of the ledges. Thirty seconds later the door opened and

one bloke came in and sat opposite me.

Again the door opened, and again and again over the

next five minutes. There were about ten men in the steam room with me and my husband.

I started to rub my hubby's leg and he had a hard-on in seconds, so I stopped. I could

He started to lick my clit. As he did so we heard the door open and in walked a guy, asking if he could watch. I looked at my hubby and he looked at me.

Then he said, "OK mate!" The bloke dropped his towel to reveal the biggest cock I had ever seen. It must have been a full nine and a half inches long!

I gulped and my husband challenged the bloke to get it up my tight cunt. I was very

I watched as his cock started to slide into me, thick and strong. He started pumping away and I could tell he was going to fuck my brains out but I didn't care.

I was in heaven watching this mega-cock pump into my pussy. All of a sudden there was a knock at the door. My hubby opened it to another two blokes who wanted to fuck me.

My hubby let them in and when they dropped their towels it turned out they were almost as big as the other guy. I started wanking my hubby off while the other bloke stuck his

He got on the bed with his dick dangling over my cunt. I sat up and put the head in my mouth. I could feel it getting hard immediately and I had to take it out of my mouth.

I was loving it as four blokes took it in turns to fuck my tight pussy. I lost count of how many times I came but the bloke with the big cock fucked the living daylights out of me.

When he came I thought he was going to blow me through the table. I would love to repeat this experience, this time on video and camera!

"As she gave me head, I prodded her arsehole with a questing finger"

out for some photographic fun and frolics. We were driving around a few of our local attractions.

We were pulling off our clothes at every opportunity. The possibility of being seen made it all the more thrilling. On our way home we couldn't wait any longer.

We needed to fuck each other silly, so what better way to indulge in one of our favourite fantasies, exhibitionist sex?

I pulled into a busy overnight truck-stop and found

a space, feeling randier every moment.

I made sure I parked somewhere where it would be all too easy for people to view what was about to happen. By now all my girlfriend had on was a black bra, suspender and stockings covered by a full-length leather coat.

My cock was already as hard as iron as she opened my jeans and began to suck on it like it was going out of fashion. As she was giving me head I started poking at her arsehole with my finger. She

I extracted it from her ringpiece and sprayed jet upon jet of hot jism all over her back and arse cheeks. She finished her virtuoso performance by licking his cock clean and giving him a wink as we left.

When we got home, myself and Carol had a repeat performance and took some

I positioned myself behind her and slowly eased my prick entirely into her lovely arsehole, penetrating her deeply. As I did this she started sucking on his cock harder and faster.

MEET WIVES AT WWW.PAULRAYMOND.COM/RAZZLE

AGE: 40

FROM: Loughborough

NAME: Candice

SEX FANTASY: Driving down the road, being pulled over, then pulling off the police!

**Geordie
& Louisa**

in the early hours. That girl is seriously open-minded!

In the morning, I woke up before Louisa and, after lying in bed staring at the ceiling for a time (as you do after a one-night-stand), I left her naked and asleep, and went downstairs to make a cup of tea. That's when I met Kimmy. She was just as fit as Louisa, but blonde, with full, rounded boobs

My name's Geordie, I'm 21 and I like going out and having a laugh with my mates. You know, getting pissed and trying to pull a bird, that sort of thing. I don't do too badly with the ladies, and a couple of months ago I got myself into an entirely new situation, and I'll tell you what – it was the dogs' bollocks!

I was in a pub in town with some mates, when I spotted this bird, Louisa, so I went over to chat her up. She was a student type with a bit of a posh accent, which was really hot. She was well fit, too, so I was hoping she'd fancy a bit of rough, like me. Luckily she did, and after snogging each others' faces off inside the pub, outside the pub, and in the taxi back to her place, I knew she was gagging for it!

When we got to her house, she grabbed my hand and quickly led me through the living room and up the

stairs. The second we stepped foot in her room, she pounced on me – it was like she hadn't seen a cock for months. I've got to admit that I'd never been with a girl as sexually hungry as Louisa – she was insatiable! We fucked and fucked till we were both too sore to carry on, sometime

“That girl Louisa is seriously open-minded when it comes to fucking”

Suddenly, Louisa lent towards Kimmy and they kissed passionately; it was obvious that they'd done it before, as they were so comfortable. Luckily for me I had a front row seat and I could see their tongues exploring the other's mouth as they got into it. I can only say that my cock was pretty rigid – and obvious – in my shorts by the time they stopped snogging, with

and a bum that just begged to be banged. Call me a bastard, but even though the bird I'd shagged the arse off last night was upstairs, I thought I'd take a crack at her housemate, too – never one to miss an opportunity, me!

We chatted away while she took charge of making the tea, then she plonked herself down in the chair next to mine, her fluffy dressing gown falling open just enough to reveal her toned, tanned thighs as she crossed her legs. I couldn't help but have a gander – well, I'm only human! However, Kimmy caught me looking and I felt myself blush red, but instead of giving me an earful she simply smiled and continued with what she had been saying. She was becoming more and more flirtatious with me – coming in close to pick a piece of fluff off my top, touching my arm while speaking and laughing loudly at my jokes – so it wasn't very long before the conversation turned to sex.

It was just then that Louisa came downstairs, wearing a black silky robe that perfectly showed off her pert little tits and their stiff, bullet-like nipples. Obviously sensing the sexual tension in the air, she stood behind my chair and put her

arms around me, saying, "Hands off, Kimmy, he's mine!" Without missing a beat, Kimmy replied, "Can't we share him, Lou?" I couldn't believe my ears – unless she was taking the piss, Kimmy wanted to have a threesome! I crossed my fingers and silently wished that it wasn't a joke!

Kimmy and Louisa began bickering over me – at least, I thought they were bickering, but there seemed to be quite a lot of flirting going on in a sort of play fight, rather than actually arguing over sharing me. I honestly didn't know what was going to happen next,

which I found strangely exciting, reinforced by a stirring in my pants.

Louisa pulling away from Kimmy, saying, "C'mon, let's all go upstairs then."

Not needing a second invitation, I was up there like a shot, with both ladies hot on my heels. It took mere seconds for us to get naked as I only had a T-shirt and my boxers on and both of the girls were in dressing gowns. I couldn't believe I was going to shag two birds at once! Like a lot of men, I had always dreamed of having a threesome, and it was actually going to happen! I felt like I was the king of the bloody world at that moment!

Like Louisa before her, Kimmy seemed like she'd been starved of dick for a while, such was her urgency to suck me off. She hungrily slurped my bell-end into her mouth and took in as much of my shaft as she could without gagging. She

used her teeth to catch the rim of my helmet, which was a real turn on. I badly wanted to screw her, so I pulled my dick from her sweet mouth and asked her how she liked being fucked. "Standing,"

she replied, getting up and turning around, "From behind."

I moved in to stand behind her, pressing my body into hers, enjoying the

feeling of her soft, warm skin on mine. Feeling my way down, I found her wet pussy and, after dipping a couple of fingers inside, I slowly fed my cock up between her thighs, past her arsehole and into her velvety snatch. She gasped as I pushed deeper inside, while reaching round to grab her tits, tweaking her nipples so they stood to attention. When I ran my hands down to her hips, I found that I could control the pace somewhat. Taking full advantage of this, I started ramming my member inside, getting harder with every thrust and causing Kimmy to begin moaning and writhing around.

I found out quite early on why Kimmy wanted me to fuck her standing, from behind – so that Louisa could eat her out at the same time! Louisa was kneeling in front of Kimmy, licking and sucking her clit, and occasionally licking around her pussy lips and touching my cock, as I slammed into her. It was a wild fucking ride, bouncing Kimmy up and down on my prick – she was quite light because my upwards thrusts would lift her off her feet a little

"I sprayed my creamy jizz all over Kimmy's cunt and covered Louisa's chin!"

When she'd recovered, the girls then decided I deserved to be relieved, and while Louisa wanked away at my prick, Kimmy sucked and tugged my balls until at last they let go. My spunk sprayed out like before, but this time it caught Kimmy full on in the face! She laughed and licked some off for my benefit, but the last of my energy left me, and I lay back on the bed, exhausted.

When I was leaving a bit later, I suggested that we meet up again but the girls said no. It turns out that they're actually a lesbian couple and only like a dick now and again, to keep their sex life interesting and exciting. Ah well, I can't complain, I experienced my first threesome and my first squirter – plus, it should be worth a few pints in the pub too, when the lads find out! *Geordie, London*

bit. Again, such a turn on! Louisa obviously knew what to do with Kimmy's clit because she just kept coming and coming while bouncing around on my dick, making little grunting noises in between heavy breaths.

Unsurprisingly, the whole thing proved a bit too much for me, and I knew I couldn't hold my own climax back any longer, so I pulled my tool out, spraying my creamy jizz all over Kimmy's cunt lips and covering Louisa's chin. The girls giggled as they lapped up my sticky seed, feeding it to each other sexily. I'd assumed that would be the end of it and was expecting to be invited to leave soon, so you can imagine my surprise when Louisa said it was her turn again! She had me lie back on the bed and she licked and sucked my dick back to stiffness. When she was satisfied she straddled me, and lowered her hot hole down over my throbbing cock. I was in her to the hilt and she started to rock back and forth on it. Meanwhile, Kimmy straddled my face and lowered her spunk-

coated cunt lips onto my mouth. I tongue-fucked her pussy hole hard and working her clit as she played with her ample boobs.

Louisa began to slide up and down my pole, slowly at first, but then faster and faster. It was great – at the same time Louisa was bouncing on my cock, Kimmy was grinding her fanny into my face. Talk about being spoilt rotten, I was in heaven!

Kimmy whimpered that she was getting there, and a sudden gush of her pussy juice, squirting out into my mouth and catching my nose, told me that she had! I had never seen a girl squirt before – and I had the best view ever! She didn't let her climax stop her forcing her cunt into my mouth again until I heard Louisa gasp her way to her orgasm.

BROOKE

Buddhism's all about calm, balance and getting a good banging in the arse, according to Brooke, who holidays in Thailand all the time. "I go to those temples and they're beautiful and all, but it's the gorgeous beaches and sexy guys I like. They like their girls like their food out there – fucking spicy!"

Wet Nurses

Big Breast Nurses 6

Released by: Reality Junkies

Starring: Rebeca Linares, Rachel Starr, Yurizan Beltran, Jazy Berlin, Sarah Vandella

BEST BITS: Sarah Vandella's performance as a ditsy nurse is as hilarious as it is sexy. She manages to maintain a comic air throughout with her witty one-liners, without making it too cheesy. And we should also mention her amazing deep-throating action, which is second to none. Cover star Rebeca Linares is smoking hot in and out of her nurse's uniform – and her scene is equally so. Her enthusiasm being fucked is matched only by Yurizan Beltran's (left), who seems really happy to be getting some dick!

WORST BITS: Because of the heavy script at the beginning of some of the scenes and the inability of certain porn stars to learn lines, some dialogue is distractingly cut to shreds, completely ruining the set-up. If it had been us in the editing suite, we would've cut straight to the sex, but we guess that's testament to how important a storyline is to Reality Junkies.

DVD FEATURES: Photogallery, pornstar stripteases, cumshot recap, 20-minute behind-the-scenes featurette, two trailers.

3.5/5

Nurses

Released by: Digital Playground

Starring: Jesse Jane, Stoya, Katsuni, Sasha Grey (left), Riley Steele, Jenna Haze, Shay Jordan, Gabriella Fox, Shyla Stylez, Shawna Lenee

BEST BITS: The cast of this niche fetish feature is inspired, with the contracted stars being their magnificent, and utterly filthy, selves. There are way too many best bits to mention, from Jenna Haze's opening blowie, to Stoya's passionate chemistry with stud, James Deen, to Jesse Jane and Riley Steele's awesome three-way (which sees Riley being choked by Jesse, as she also gets royally fucked by a stud), and Shyla Stylez banging the fuck out of British boy Danny Mountain, before milking him for all she's worth. Which is quite a lot. The finale sees Jesse Jane, Stoya, Katsuni, Shay Jordan and Riley Steele, along with legendary cocksman, Erik Everhard, in one big free-for-all. One of the best seven-somes we've seen in years!

WORST BITS: None.

DVD FEATURES: A brilliantly entertaining 12-minute behind-the-scenes feature, photo gallery and slideshow.

5/5

OOOAAAR!

Nurses Takin' On Big Dicks

Released by: Zero Tolerance
Starring: Dani Daniels, Cameron Canada (below), Brandy Aniston, Anita Toro

BEST BITS: They're dressed as nurses, and they are taking on some pretty huge cockage, but there's something missing here. The girls are all beautiful, and the sex isn't complicated by needless dialogue.

DVD cover girl Dani Daniels, is looking seriously sexy in the opening scene, and starts by swallowing down stud Pete's schlong in one go. Some wankworthy mouth-fucking ensues, before he stuffs her twat in missionary, spoons, doggy and reverse cowgirl, then cums all over her pretty face. Phew! It's the first time we've seen stunning Anita Toro in action, and we were more than a little impressed. She deep-throats like a pro, and seeing her getting slammed from behind is an image we instantly saved to our collective wank bank!

WORST BITS: Every scene is a simple boy-girl, with the usual run-through of positions. Imagination please!

DVD FEATURES:

Photo gallery, cumshot recap.

Registered Nurse 3

Released by: Smash Pictures
Starring: Alexis Texas, Lexi Bloom, Ryder Skye, Jessie Andrews, Katie Jordin

BEST BITS: Breathtakingly gorgeous with a killer bod, Alexis Texas delivers strongly on every level, with her enthusiastic sexual performances and believable acting skills hitting every spot. We were particularly blown-away (no pun intended) by her oral skills:

sucking, stroking, spitting and swallowing, Alexis Texas is the star of this flick, and the only reason for watching.

WORST BITS: Surprisingly, Ryder Skye's scene was verging on tediously boring. Her blowie felt like it went on way too long, there's not a hint of (even forced) chemistry between her and her male co-star, and it looks like she almost tries to dodge his jizz-shower at the end. Shame.

DVD FEATURES:
Fantastic 25-minute behind-the-scenes feature.
